

Ebbe, March 16<sup>th</sup>

Sweetie,

I reached your house from behind when your car was just entering the main road. How did you spend the night? For me, without your glowing Torso beside me, it was a torture!

Ebony, you have adamantly refused to understand the simple fact of human nature. As a Christian you should read Good News Bible - Today's English Version, page 5. Genesis Chapter 2, verse 23--"At last, here is one of my own kind - Bone taken from my bone, and flesh from flesh. Woman is her name because she was taken out of man." 24 That is why a man leaves his father and mother and is united with his wife, and they become one."

Ebony, if you really love me as you claim, there should be no problem to leave your mother and father and unite with me so that we may become one.

However, I have now discovered that I cannot live on this Planet without you. I am sure that you were born for me and I for you. My Ebony is for me alone. For this reason I enclose here with M7's diabolical directive to his brother. Read and burn it at once. If you allowed any one to see it then buy a coffin for my ~~the~~ body.

Do not leave your house today. You must cheer me up to night. Make sure to bring my usual Martini. ~~ff~~  
Till then.

Virginia
